SUMMER STAFF WANTED!

At the Zajac Ranch for Children
Summer 2011

The Zajac Ranch is now **hiring** for the summer! We are looking for dedicated, caring, fun-loving people to help make our summer medical camps a safe and magical experience for children with serious and chronic illnesses and disabilities.

We are also looking for **volunteers** for the summer! We are only able to provide the high quality of programs and activities and the warm inclusive environment of camp through the generous support of volunteers. To meet the needs and the expectations of our campers, we are reaching out to you to come out and spend some of your valuable time with us this summer.

Please visit our website www.zajacranch.com for further details on **summer staffing and volunteer opportunities** or call 604-739-0444 for more information.

“Nick often tells us about his experiences with other kids, counselors, and the social interactions that he attends. His confidence has improved, and he opens up more and is more communicative...I would recommend camp Zajac. Any individual can be given an opportunity to enjoy a wonderful setting, with many opportunities (horse-back riding, swimming, archery, ropes course, etc) with a strong social, counseling and support network”.
